## EDUCATION

**Full Stack Developer**  
Currently Pursuing at Masai School

**Post Graduation Diploma, DAC**  
Center For Development of  
Advance Computing (CDAC)

**Bachelor of Engineering, Mechanical Engineering**  
SPPU University

## TECHNICAL SKILLS

- Python
- Java
- HTML5
- CSS3
- JavaScript
- React
- Redux
- MYSQL
- Node.js
- Firebase
- Hibernate
- Spring Boot
- RESTful APIs
- Express.js
- MongoDB
- Git

## SOFT SKILLS

- Work Ethic
- Conflict resolution
- Creativity

## INTERESTS

- Cooking
- Music
- Home Automation

## PROFESSIONAL SUMMARY

Dynamic Full Stack Developer with expertise in Python, HTML5, CSS3, JavaScript, React, Redux, Java, and Spring Boot. Skilled in building and maintaining web applications, with a strong focus on both front-end and back-end development. Known for precise documentation and delivering efficient, scalable solutions.

## WORK EXPERIENCE

### Sapiens Technologies Private Limited - Bangalore, India

Associate Developer | December 2022 - January 2024

- Developed and deployed highly scalable web applications, achieving a 30% increase in user engagement and 20% reduction in page load time, enhancing user experience.
- Collaborated with cross-functional teams, including designers and product managers, to deliver high-quality software solutions within challenging deadlines.
- Enhanced application responsiveness by optimizing database performance, reducing query execution time by 40%.
- Demonstrated expertise in both back-end and front-end development at the document level. Played a pivotal role in ensuring thorough documentation, enhancing the clarity and maintainability of the codebase.

## PROJECTS

### ABSA Company Insurance

**HTML5 | CSS3 | JavaScript | Java |  
Responsive Web Design | React | MYSQL**

- Collaborated with a large team to implement solutions and meet project requirements.
- Troubleshooted and debugged issues to ensure application stability and reliability.
- Contributed to the development of insurance-related features like policy creation and claims processing.
- Created and maintained comprehensive documentation to support ongoing development and onboarding of new team members.

## Achievements

Achieved Python Silver Level 3-star badge on HackerRank for completing advanced Python challenges.

HackerRank

## Certifications

Masai Construct Week Project Completion

Masai School

Earned MySQL (Intermediate) Certificate from HackerRank.

HackerRank

## Bangkok Insurance

HTML5 | CSS3 | JavaScript | Java | Responsive Web Design | React | MySQL

- Collaborated with a large team of developers to create and claim insurance policies using modern web technologies.
- Implemented backend logic in Java to streamline policy processing and database interactions using MySQL.
- Troubleshoot and debugged issues effectively to ensure the smooth operation of the application.
- Created and maintained comprehensive documentation to support ongoing development and onboarding of new team members.

## Clone of E-Commerce Website | |

HTML5 | CSS3 | Javascript | Responsive Web Design

- Implemented responsive web design to ensure compatibility across various devices and screen sizes.
- Supported the team in troubleshooting and debugging issues to ensure the smooth functioning of the website.
- Contributed to the creation and optimization of web pages, enhancing user experience and performance.

## Digital Era | |

JavaScript | HTML5 | CSS3 | Responsive Web Design

- Implemented responsive web design techniques ensuring the application adapts seamlessly to various devices and screen sizes.
- Integrated a dark mode feature to enhance user experience and provide visual comfort.
- Collaborated with team members to ensure code quality and adherence to best practices.
- Performed extensive debugging and troubleshooting to ensure application stability and reliability.
